The Company, along with the Delta Dental Plans Association (DDPA), DeltaUSA, and the other independent DDPA member companies, is defending a collection of lawsuits that have been filed in district courts across the country and consolidated into one case in the United States District Court for the Northern District of Illinois. The plaintiffs, representing purported classes of dental providers, allege that various Association member company licensing standards violate federal antitrust laws. The Company believes the claims are meritless and intends to vigorously defend this case. At this point it is too early in the proceedings to determine the outcome of the matter or the range or amount of any potential loss.
