Little Rock, Arkansas,
May 11, 1931

To His Excellency, HARVEY PARNELL,
Governor of Arkansas,
Little Rock, Arkansas.

Dear Governor:

In accordance with law, I take pleasure in submitting to you herewith the fiftieth annual report of the Department of Insurance and State Fire Marshal, with such statistical data therein as required by law, compiled from the annual statements as of December 31, 1930, of all insurance companies authorized to transact business in this state during the year 1930. Receipts and disbursements of the department for said year are also shown, together with a report of other proceedings, which exhibit the business of the department.

I also beg to report that splendid work has been done by the Fire Prevention Division of the office, handled by Deputy Commissioner, John L. Carter. On account of the extreme dry weather during the year 1930, which was conducive of fires, the fire loss was greater than for the preceding year.

This department regrets it as unfortunate that a substantial appropriation is not made for proper fire prevention work in this state.

We thank you for every consideration shown the department, and beg to remain,

Respectfully,

A. D. DuLANEY,
Insurance Commissioner and
State Fire Marshal
