FIRE MARSHAL DIVISION

During the period January 1, 1954, through June 30, 1955, the Fire Marshal Division of the State Insurance Department continued to be very active with a great number of calls for the services of the Fire Marshal and the Deputy Fire Marshal.

The programs which had been previously instigated were continued on this year, with the Junior Fire Marshal Program being extended.

The Fire Marshal participated in the Regional Fire Schools which were held at different times in the various cities throughout the State.

In all, 107 suspicious fires were investigated during this period. Twenty-four arson charges were filed, five convictions being obtained. Also, forty investigations were made into fire hazards and recommendations were made in each instance, most of which have been complied with at this time. In addition to this, several town inspections were made.

Another important phase of the work of the Division during this time was the enforcement of the regulations governing the sale and handling of fireworks within the State. The cooperation received from the dealers as well as the manufacturers' representatives has been most gratifying.

July 1, 1955, will find the activities of the Fire Marshal operating under the Arkansas State Police inasmuch as legislation was enacted by the 60th General Assembly, transferring the work from the Insurance Department to the State Police, same having been recommended by the Insurance Commissioner. Full cooperation is being afforded in effecting the transfer from the Insurance Department to the State Police.

FIREMEN'S RELIEF AND PENSION FUND TAX
