ARKANSAS INSURANCE DEPARTMENT
2017 ANNUAL REPORT

MESSAGE FROM THE COMMISSIONER

It is my honor to present my third Annual Report as the Arkansas Insurance Commissioner.

I am proud to report that Arkansas remained open for business in 2017 as the Department welcomed **30 new companies** to The Natural State, including **seven domestic companies** and **one domestic captive insurer**.

I am further proud to report that we **increased individual agent licensure by 21%** in 2017. At the end of 2017, the Arkansas Insurance Department licensed **122,053 insurance producers and adjusters**, an increase over the 101,070 at the end of 2016.

We also grew the amount of licensed business entities in 2017 **by 4%**. At the end of 2017, the Arkansas Insurance Department licensed 9,269 business agencies, an increase over the 8,896 at the end of 2016.

At the end of 2017, over 95% of the Department's licenses were issued online -- a number we wish to see increased to 100% in 2019.

The growth of producers and businesses in 2017 resulted in **\$14.41 billion** in Gross Direct Written Premium for the year -- a **\$520 million increase** over 2016.

While the Department increased opportunities for the insurance industry in 2017, we also made bold moves to protect consumers and do right by Arkansas taxpayers. In 2017, we announced that we had **saved \$784,516** in personnel costs through efficiencies while our Consumer Services Division **recovered \$2.81 million** for Arkansas policyholders.

It is my hope that, upon review of the information contained in this Annual Report, you will agree that the Arkansas Insurance Department is honoring its charge to protect consumers and encourage the growth of the insurance industry in our state.

ACCOUNTING DIVISION

Assistant Deputy Commissioner.....Courtney Traylor

The Accounting Division collects and oversees fees and premium taxes from all insurance companies conducting business in the State of Arkansas. It also handles all purchasing and accounts payable to the Department, and develops our annual budget.

The Arkansas Insurance Department is a dedicated funding agency, meaning that it derives none of its operating revenue from either premium tax collections or general revenue.

The agency is funded by fees and assessments imposed on entities regulated by the Department which are deposited in the Insurance Department Trust Fund.

Companies pay their insurance premium taxes using the OPTins online service which can be accessed via the Department's website.

Taxes collected by the Department are deposited in the General Revenue Fund, Arkansas Works Trust Fund, and other funds as designated by statute.

COMPLIANCE DIVISION

insurance.compliance@arkansas.gov
501-371-2800

Manager.....Bill Lacy

The Compliance Division is responsible for monitoring and regulating the rate and form filing activities of all insurance companies transacting business in the State of Arkansas.

Insurers selling Life, Health, Property and Casualty coverage in Arkansas must submit their forms to the Compliance Division for approval. These forms are reviewed to ensure compliance with state laws.

Insurers also must file rates they charge for insurance for most health and property and casualty personal lines of insurance as well as workers compensation and professional malpractice coverages.

Insurers file form and rate requests to the Arkansas Insurance Department (AID) through the System for Electronic Rate and Form Filings (SERFF) provided to the Department by the National Association of Insurance Commissioners (NAIC).

AID makes the non-proprietary portions of these filings available to the public through SERFF via a link on the Department's website. The public can view filings conveniently from their home, office, or anywhere they have access to a computer free of charge.

SERFF is governed by the NAIC's Speed to Market (EX) Working Group. Arkansas was represented on this working group in 2017 by Commissioner Kerr and Division Manager Lacy.

STEADY DECLINE IN WORKERS' COMPENSATION RATES

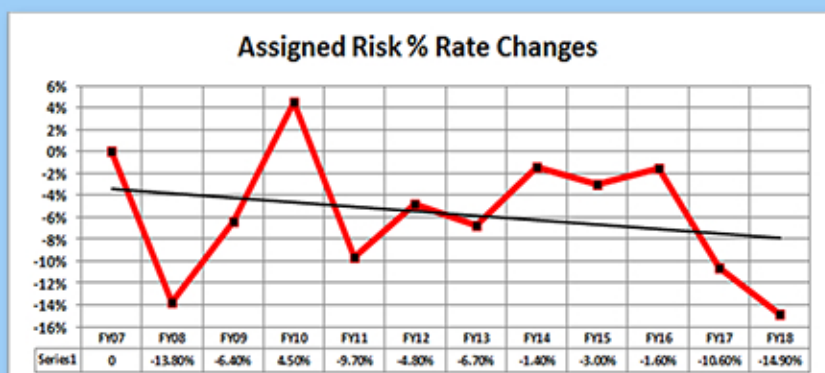

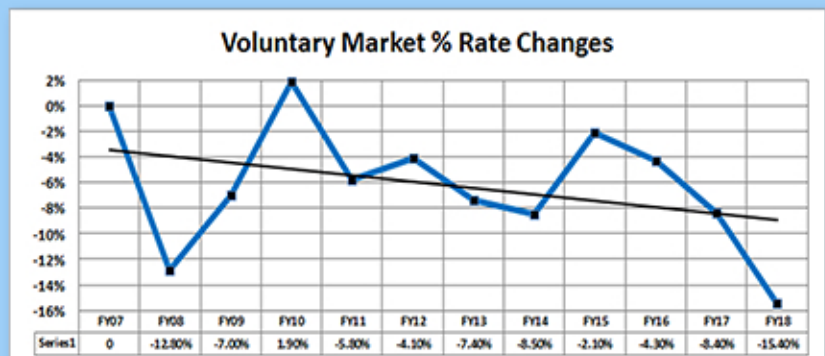

A dramatic decrease in the number of work-related injuries in past years has resulted in a decrease in the cost that a majority of Arkansas employers pay for workers' compensation insurance.

Commissioner Kerr approved rate reductions of 15.4 percent for the voluntary market and 14.9 for the assigned-risk pool recommended by the National Council on Compensation Insurance (NCCI).

For eight consecutive years, costs have decreased in Arkansas.

The significant rate reduction shows that policies in Arkansas are making it a welcome place for business and new employment opportunities.

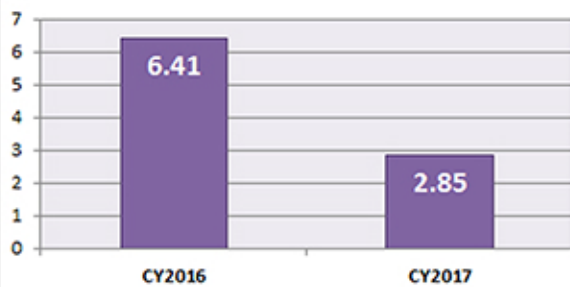

The Department recognizes our state's employers and workers who mind workplace safety to keep costs low.

CONSUMER SERVICES DIVISION

501-371-2640; 800-852-5494

Consumer Protection Manager.....Jackie Smith

The Consumer Services Division (CSD) assists insurance consumers with complaints and inquiries regarding insurance companies, producers, and adjusters.

CSD investigates all complaints, and works with insurance companies and consumers to determine the appropriate course of action.

CSD also travels across the state to provide educational information and materials to Arkansans with questions about insurance.

In the event of significant storm damage or catastrophic events, CSD travels to the damaged areas to assist homeowners with filing claims and procuring emergency living expenses from their insurers, as well as helping with any other insurance related issues.

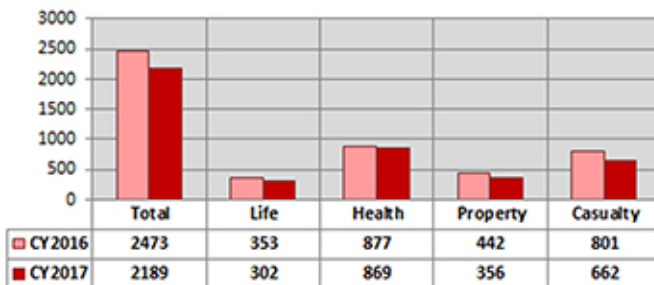

DISASTER DECLARATION

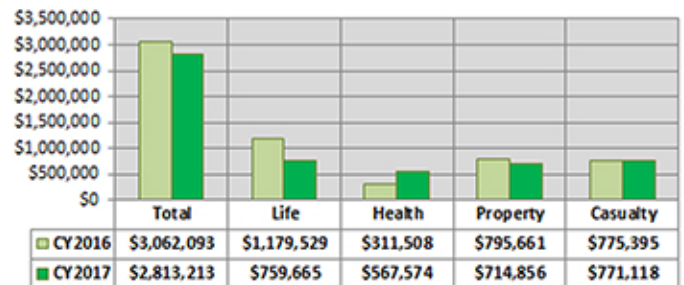

Following the Governor's April 26 disaster declaration due to severe flooding, Commissioner Kerr announced a 60-day moratorium on the cancellation/non-renewal of policies for the non-payment of premium by residents of affected counties.

Our CSD staff traveled to flood areas to assist Arkansans whose lives and property were affected by the severe flooding.

CRIMINAL INVESTIGATION DIVISION

insurance.fraud@arkansas.gov
501-371-2790, 866-660-0888

Deputy Commissioner.....Paul Keller
Deputy Director.....Pat O'Kelley
Managing Attorney.....Dan Reber

The Criminal Investigation Division (CID) investigates and prosecutes all categories of insurance fraud.

CID was created by the Arkansas General Assembly in 1993 to investigate workers' compensation fraud.

In 1997, the Legislature expanded CID's mandate to include all other types of insurance fraud and in 2001, CID received full law enforcement status and statewide jurisdiction.

Investigations that result in a finding of a criminal violation are referred to the appropriate prosecuting attorney's office. Division attorneys are authorized to be appointed as special deputy prosecuting attorneys.

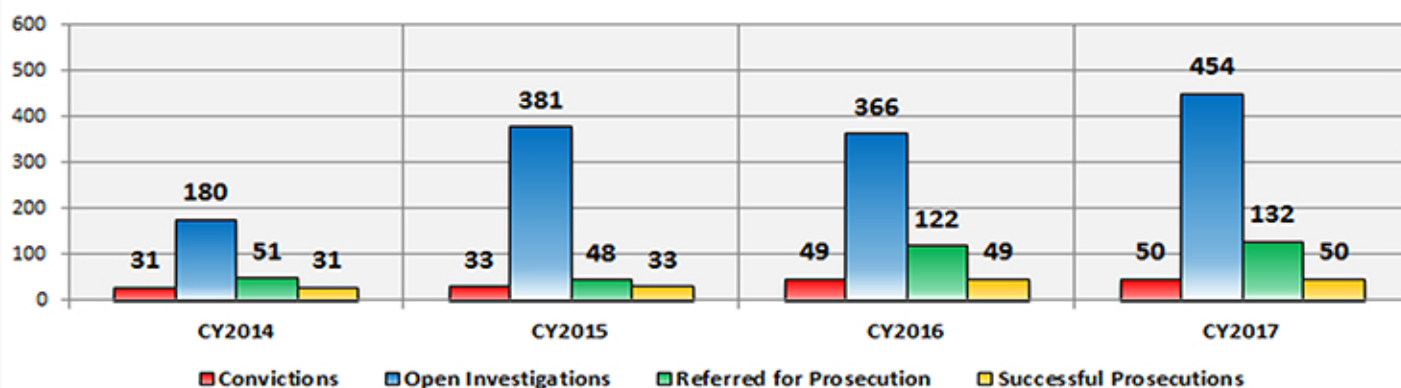

FIGHTING INSURANCE FRAUD

Insurance fraud is not a victimless crime. Every year thousands of Americans fall prey to the schemes that cost them their hard earned money.

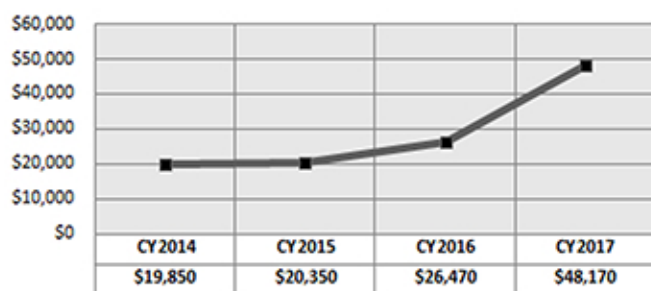

It is estimated that insurance fraud costs Americans 80 to 120 billion dollars a year.

CID has established a toll-free 24-hour hot line. A suspected case of insurance fraud may be reported anytime by calling the toll-free number **1-866-660-0888**.

FINANCE DIVISION

insurance.finance@arkansas.gov
501-371-2665

Deputy Commissioner.....Mel Anderson

The primary goal of the Finance Division is to protect Arkansas insurance consumers through effective solvency regulation. This is performed by monitoring the financial condition of all all domestic and foreign insurance companies in the state.

Finance conducts financial and market conduct examinations, and reviews other financial information. It also reviews reports filed by insurance entities, including business plans, reinsurance agreements, merger and acquisition documents, company formation documents, and market research and feasibility studies.

Insurance companies doing business in Arkansas must file annual financial statements with the Finance Division. These statements are available to the public for downloading on AID's website.

State law requires AID to review of prepaid funeral contracts. This includes the examination of active and

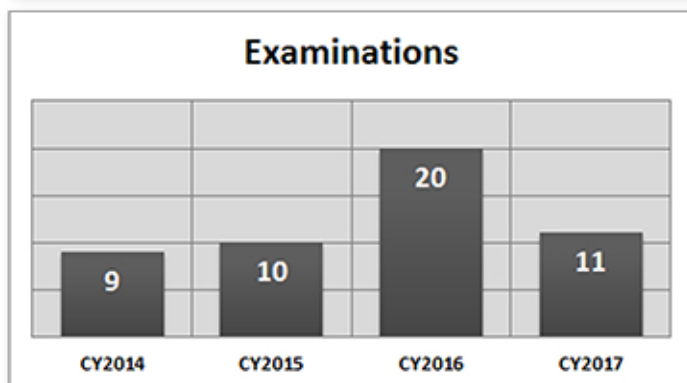

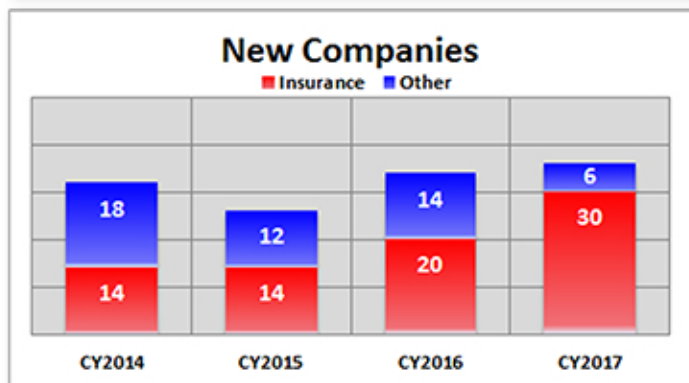

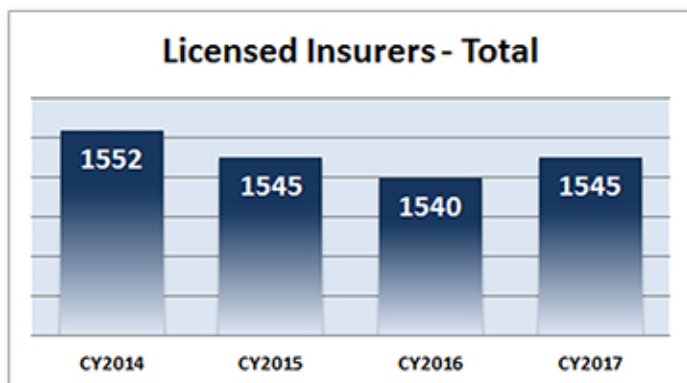

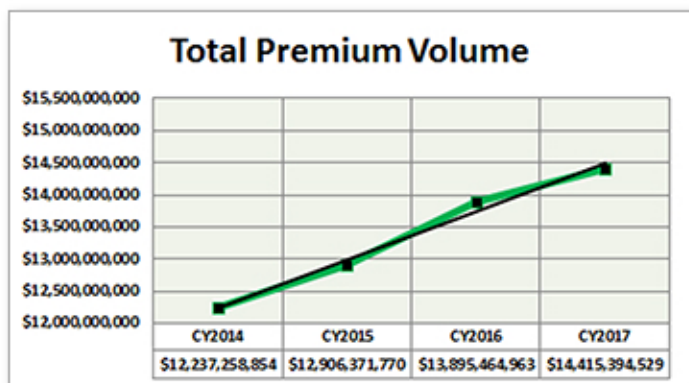

matured contracts, financial examinations of licensee trust funds and custodial accounts, and responses to consumer complaints.

As of December 31, 2017, AID had issued 205 prepaid funeral licenses allowing 259 funeral homes to sell contracts in Arkansas.

State law also requires insurers to make securities deposits for the benefit and protection of Arkansas policyholders and creditors. These deposits are held by Arkansas trustees approved by the Finance Division.

Securities deposits held at the end of 2017 were:

Foreign Insurers	\$186,604,000
Domestic Insurers	\$ 38,303,000
Total:	\$224,907,000

NOTE: "Other" is defined as auto clubs, risk retention groups, charitable gift annuity organizations, service contract providers, reinsurers, and surplus lines.

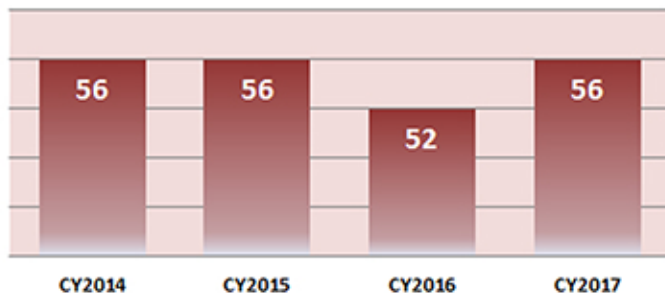

NOTE: Totals reflect the Financial Examinations, Market Conduct Examinations, and Combined Examinations of domestic and foreign companies in a calendar year.

- Eliminating unneeded cell and wireless equipment

By executing its strategy of leveraging up-to-date, state-of-the-art software and systems technology, the division continually increases Department productivity.

As a result, the Department has seen minimal staff growth in the face of continued growth in the size of regulated industry, premium taxes, and revenue.

NEW WEBSITE LAUNCHED

The Information Systems Division facilitated the launch of an updated Department website in 2017.

Working with each AID division, Information Systems successfully transferred necessary archival documents, eliminated redundant or outdated information, and helped create an efficient user experience for consumers and the industry.

RHL: 501-683-4170; SHIIP: 800-224-6330

Deputy Commissioner.....Zane Chrisman
SHIIP Manager.....Carroll Astin

The Regulatory Health Link Division was established at the Arkansas Insurance Division in accordance with the Patient Protection and Affordable Care Act (PPACA) of 2010.

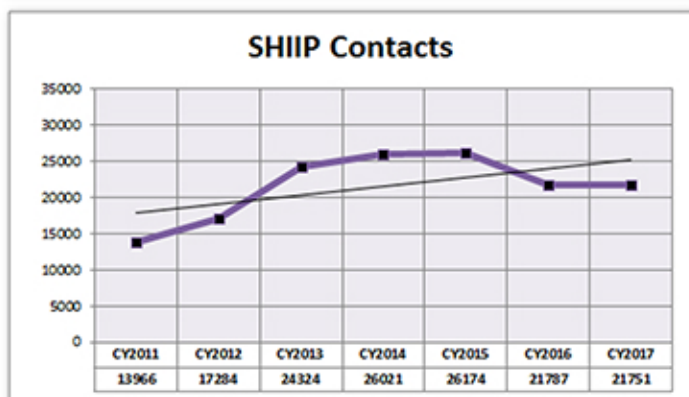

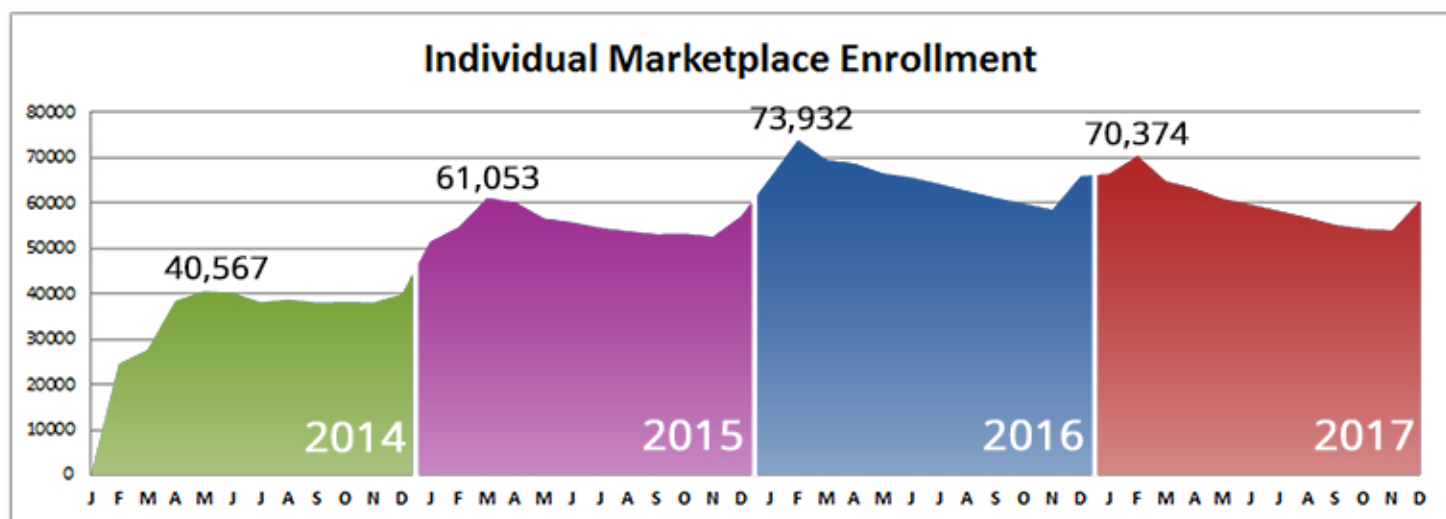

The division is responsible for monitoring health insurance plans sold through HealthCare.gov. By law, the division also recommends health insurance plans for certification by the Arkansas Health Insurance Marketplace.

This division also houses the Senior Health Insurance Information Program (SHIIP). Its mission is to help Arkansans save money and make informed decisions about Medicare.

SHIIP counsels Medicare beneficiaries and caregivers about Medicare, MEDIGAP policies, Medicare Advantage, Medicare Part D, and long-term care insurance.

Per state law, the Arkansas All-Payer Claims Database (APCD) is under the Arkansas Insurance Department. The division's Rate Review section is responsible for APCD.

By law, the Department works with the Arkansas Center for Health Improvement to ensure APCD is able provide medical pricing information to customers, the General Assembly, state agencies, and other stakeholders making decisions on healthcare.

RISK MANAGEMENT DIVISION

insurance.risk.management@arkansas.gov
501-371-2690

Director.....Mark Guinee

The Risk Management Division was established to minimize the cost of insurance and surety bonding to state agencies and to analyze and make recommendations on loss control and safety programs in an effort to protect state assets.

In 2004, the Risk Management Division assumed the additional responsibility of providing insurance coverage, consulting, and loss control services to public schools that choose to participate in the Public School Property and Vehicle Insurance Trust Fund.

The division is staffed with professionals who deal with the entire spectrum of the highly technical and complex areas of risk management and insurance. The knowledge and skills of the division staff have brought a high level of success to the programs managed by the division.

Extensive knowledge of governmental operations allows the Risk Management staff to provide consultant services as well as insurance and loss control expertise at a minimal cost to taxpayers.

The division also provides staffing for the Arkansas Governmental Bonding Board's Trust Fund.

This self-funded program, established in 1987, provides fidelity bond coverage for over 135,000 employees of state, county, and municipal governments, as well as public school districts in Arkansas.

ARKANSAS STATE VEHICLE SAFETY PROGRAM

The Risk Management Division also manages the state's Vehicle Safety Program (VSP) covering 5,000 state vehicles.

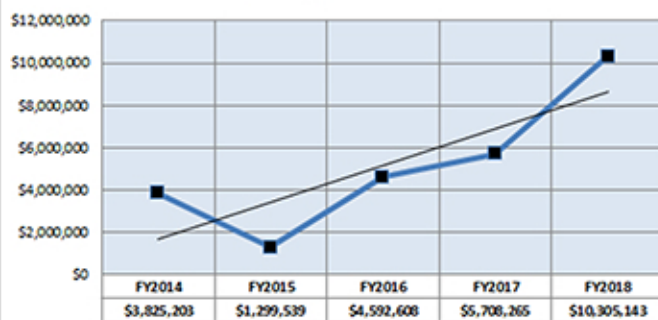

The program involves record keeping and driver information which is accessible on the DFA-Driver Services Web site and results in improved loss ratios.

The division continually updates the vehicle safety program to protect state property and achieve premium savings on the state's commercial fleet.

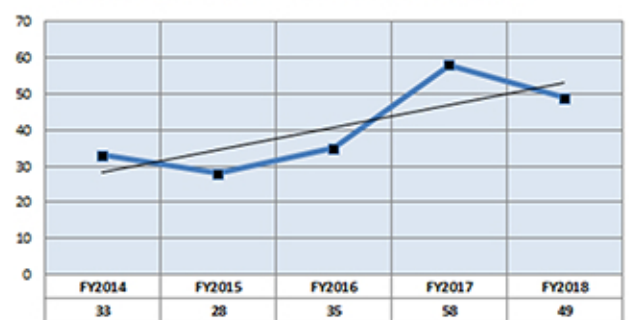

All state agencies that are part of the Arkansas Multi Agency Insurance Trust (AMAIT) Fund vehicle policy are required to participate in the VSP, as are all drivers operating a state vehicle or private vehicle on state business.

The division now offers an on-site advanced defensive driver training at no cost to state agencies and participating schools. The division also manages the public school vehicle program that insures another 5,000 vehicles.

INSURANCE DEPARTMENT HISTORY

AID's
First Commissioner
Bruce T. Bullion
1917-1924

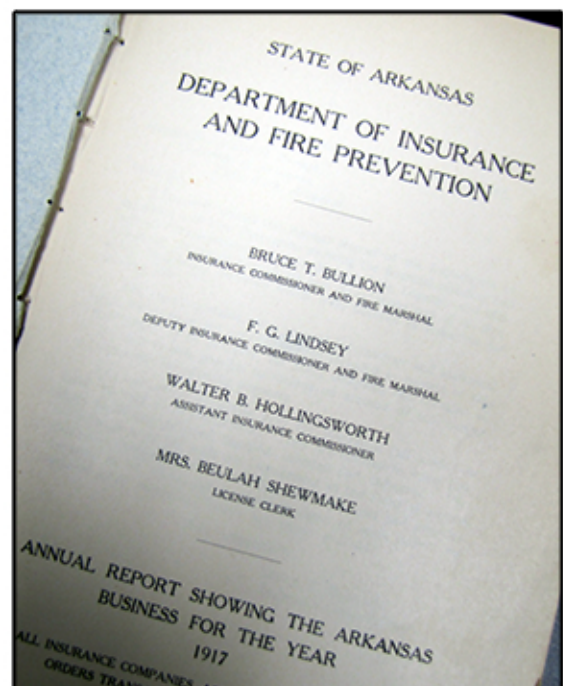

The work of the Insurance Department was formerly placed by law in the office of the Auditor of State. The "Insurance Bureau" was established in the Auditor's office by the Act of April 25, 1873, the Auditor being charged with the execution of the laws of the state relating to insurance.

The General Assembly, by Act No. 190, approved March 7, 1917, on account of the greatly increased volume of work required to be done by the Insurance Bureau, separated it from the office of the Auditor of State and created the State Insurance Department headed by the State Insurance Commissioner appointed by the Governor with the consent of the Senate.
