ARKANSAS INSURANCE DEPARTMENT 2018 ANNUAL REPORT

MESSAGE FROM THE COMMISSIONER

It is my honor to present my fourth Annual Report as the Arkansas Insurance Commissioner.

I am proud to report that Arkansas continued to aggressively recruit new companies to do business in our state. We welcomed 21 new companies in 2018, pushing our total to 86 new businesses since taking over in 2015. Last year we added one new domestic company to our ranks and welcomed two new captive insurers.

I am further proud to report that we **increased individual agent licensure by nearly 11%** in 2018. At the end of 2017, the Arkansas Insurance Department licensed **135,291 insurance producers and adjusters**. At the end of 2018, the Department licensed 9,723 business agencies, a 4.9% increase from 2017.

The growth of producers and businesses in 2018 resulted in **\$15.17 billion** in gross direct written premium for the year, a **\$752 million increase** over 2017.

Since 2015, the Arkansas Insurance Department has increased direct written premiums in Arkansas by **\$2.93 billion**.

While the Department increase opportunities for the insurance industry in 2018, it also made bold moves to protect consumers and do right by Arkansas taxpayers. In 2018, our Consumer Services Division **recovered \$8.86 million** for Arkansas policyholders while AID's Life Policy Locator **reunited families with \$3.86 million** in lost life insurance policies or annuities.

ACCOUNTING DIVISION

Insurance.accounting@arkansas.gov - 501-371-2620

Assistant Deputy Commissioner.....Courtney Traylor

The Accounting Division collects and oversees fees and premium taxes from all insurance companies conducting business in the State of Arkansas. It also handles all purchasing and accounts payable to the Department, and develops our annual budget.

The Arkansas Insurance Department is a dedicated funding agency, meaning that it derives none of its operating revenue from either premium tax collections or general revenue.

The agency is funded by fees and assessments imposed on entities regulated by the Department which are deposited in the Insurance Department Trust Fund.

Companies pay their insurance premium taxes using the *OPTins* online service which can be accessed via the Department's website.

Taxes collected by the Department are deposited in the General Revenue Fund, Arkansas Works Trust Fund, and other funds as designated by statute.

COMPLIANCE DIVISION

insurance.compliance@arkansas.gov - 501-371-2800

Manager.....Bill Lacy

The Compliance Division is responsible for monitoring and regulating the rate and form filing activities of all insurance companies transacting business in the State of Arkansas. Insurers selling Life, Health, Property and Casualty coverage in Arkansas must submit their forms for approval. These forms are reviewed to ensure compliance with state laws.

Insurers also must file rates they charge for insurance for most health and property and casualty personal lines of insurance as well as workers compensation and professional malpractice coverages.

Insurers file form and rate requests to the Arkansas Insurance Department (AID) through the System for Electronic Rate and Form Filings (SERFF) provided to the Department by the National Association of Insurance Commissioners (NAIC).

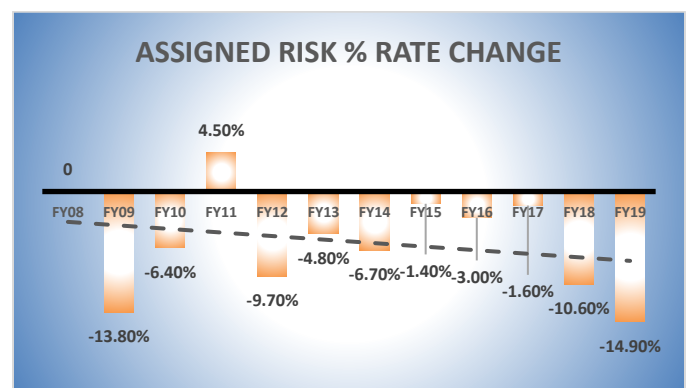

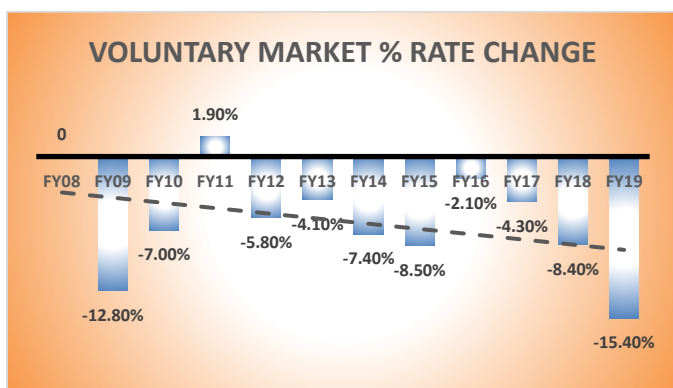

AID makes the non-proprietary portions of these filings available to the public through SERFF via a link on the Department's website. The public can view filings conveniently from their home, office, or anywhere they have access to a computer free of charge.

CONTINUED DECLINE IN WORKERS' COMPENSATION RATES

A dramatic decrease in the number of work-related injuries in past years has resulted in a decrease in the cost that a majority of Arkansas employers pay for workers' compensation insurance.

The significant rate reduction shows that policies in Arkansas are making it a welcome place for business and new employment opportunities.

The Department recognizes our state's employers and workers who mind workplace safety to keep costs low.

CSD also travels across the state to provide educational information and materials to Arkansans with questions about insurance.

In the event of significant storm damage or catastrophic events, CSD travels to the damaged areas to assist homeowners with filing claims and procuring emergency living expenses from their insurers, as well as helping with any other insurance related issues.

Insurance.fraud@arkansas.gov - 501-371-2790; 866-660-0888

Deputy Commissioner.....Paul Keller

Deputy Director.....Pat O'Kelley

Managing Attorney.....Dan Reber

The Criminal Investigation Division (CID) investigates and prosecutes all categories of insurance fraud. CID was created by the Arkansas General Assembly in 1993 to investigate workers' compensation fraud.

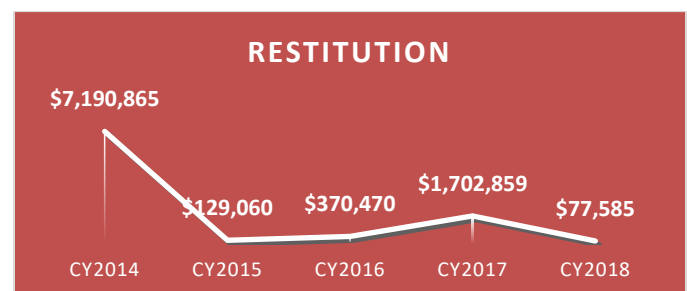

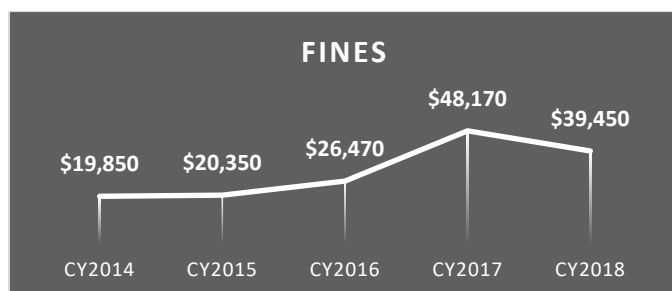

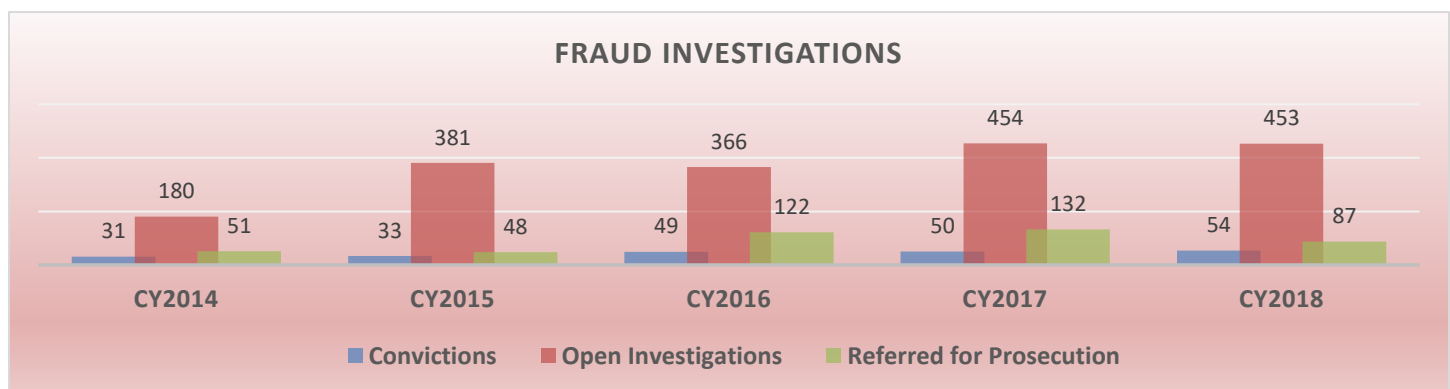

In 1997, the Legislature expanded CID's mandate to include all other types of insurance fraud and in 2001, CID received full law enforcement status and statewide jurisdiction.

Investigations that result in a finding of a criminal violation are referred to the appropriate prosecuting attorney's office. Division attorneys are authorized to be appointed as special deputy prosecuting attorneys.

Insurance fraud is not a victimless crime. Every year thousands of Americans fall prey to the schemes that cost them their hard earned money.

It is estimated that insurance fraud costs Americans \$80 billion to \$120 billion a year.

A suspected case of insurance fraud may be reported anytime by calling the toll-free number 1-866-660-0888.

It also reviews reports filed by insurance entities, including business plans, reinsurance agreements, merger and acquisition documents, company formation documents, and market research and feasibility studies.

INSURANCE DEPARTMENT HISTORY

**AID'S FIRST COMMISSIONER
BRUCE T. BULLION (1917-1924)**

The work of the Arkansas Insurance Department was initially placed in the office of the Auditor of State by law. The original "Insurance Bureau" was established in the Auditor's office by the Act of April 25, 1873 with the Auditor being charged with the execution of the laws of the state relating to insurance.

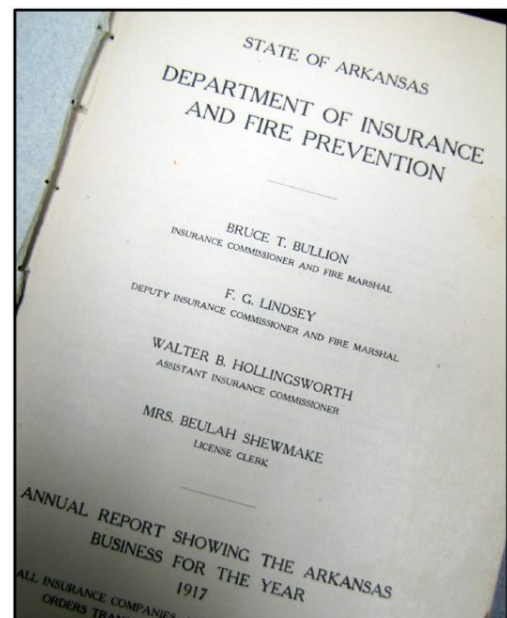

Recognizing the greatly increased volume of work required to be done by the Insurance Bureau, the Arkansas General Assembly created the State Insurance Department via Act 190 on March 7, 1917. The Act created the Department headed by the Arkansas Insurance Commissioner appointed by the Governor with the consent of the Senate.

The first State Insurance Commissioner was Bruce T. Bullion of Conway who served from 1917 to 1924.
